7. Have willingness to participate in a group fast or 24hour prayer vigil, if called upon.
8. When you pray for Large Ministries, be sensitive to the issues they commonly face and pray accordingly. Come against attacks of the enemy in the areas of distraction, temptation, discouragement, burnout and physical sickness. Pray for an impartation of faith, focus, wisdom, leadership and fruitfulness to remain upon their lives.
9. If you sense God is showing you something for them, offer to share it with them. Be positive, brief, discreet and humble. Then leave it in God's hands with no strings attached. You may be a greater source of encouragement than you realize.

I will make a commitment to Large Ministries and Partners in Prayer.
